Join us as we fight
back for red squirrels...

On the **7th-11th of December** we are teaming up with the Big Give, any money you donate online at www.thebiggive.org.uk to our Red Squirrel Appeal on these dates will be matched by the website meaning you can **double your gift!**

The most recent outbreak of squirrel pox wiped out two thirds of the reds population on the Sefton Coast. There is still hope for the red squirrel population, but we need to act NOW!

Creating a large buffer zone around our Red Squirrel refuge area increases their protection and their chance of survival. Their best chance of survival is to keep the buffer zone clear of grey squirrels - and you can help us.

If you do not have access to the Internet and would like to donate to the appeal, you can visit one of our donation stations between 10am and 5pm on 7th-11th December.

To keep up-to-date on our work with red squirrels, or to find your nearest donation station:
